

## **CCPN'S MERCK AND SANOFI VACCINE BUYING PROGRAM**

**Atlantic Health Partners (AHP), North Carolina's leading vaccine buying group is pleased to be a vaccine program partner for CCPN members.** Atlantic works with Sanofi Pasteur, Merck, and Pfizer to provide your practice the most favorable pricing and purchasing terms for a wide scope of pediatric, adolescent, adult, flu and travel vaccines.

***Benefits of the Atlantic Program include:***

- Lowest pricing for Sanofi, Merck and Pfizer (Trumenba) immunizations
- Comprehensive flu program with Sanofi Pasteur
- Excellent customer service including reimbursement support and advocacy
- Easy "one-stop" shop ordering for all Merck and Sanofi vaccines on VaccineShoppe and VaxServe.

***As a member of CCPN, your practice is also eligible for an annual rebate for all program immunizations!***

**Join the many CCPN members already benefiting from Atlantic's program. We have a dedicated staff that is always available to support your practice with our administrative and financial vaccine expertise.**
