

Greetings from Vaccine Connect! We are a GSK affiliated buying group owned and operated by independent primary care physicians and administrators. We understand the importance of vaccines in primary care and strive to help your team save money on your annual vaccine purchases. By committing to purchasing GSK vaccines and becoming a member of Vaccine Connect, you have access to lower upfront pricing and semi-annual rebates.

We have 3 different membership options for CCPN practices:

**Full
Portfolio**

Members committing to use the Full Portfolio of GSK vaccines when needed will receive:

- 3.00% semi-annual rebate on GSK vaccine purchases from the manufacturer
- 1.75% semi-annual rebate on GSK vaccine purchases from Vaccine Connect
- 1.25% semi-annual rebate on GSK flu vaccine purchases from Vaccine Connect
- Preferred pricing on all GSK Vaccines including flu vaccines

**Adult/
Adolescent
Only**

Members committing to use the Adult/Adolescent portfolio of GSK vaccines will receive:

- 2.00% semi-annual rebate on GSK Adolescent vaccine purchases from the manufacturer
- 1.00% semi-annual rebate on GSK Adolescent vaccine purchases from Vaccine Connect
- 1.25% semi-annual rebate on GSK flu vaccine purchases from Vaccine Connect
- Preferred pricing on all GSK meningococcal, adult and flu vaccines

**Bexsero
Only**

Members committing to use Bexsero will receive:

- 2.00% semi-annual rebate on GSK Adolescent vaccine purchases from the manufacturer
- 1.00% semi-annual rebate on GSK Adolescent vaccine purchases from Vaccine Connect
- Preferred pricing on Bexsero only. Members will pay full price for all other GSK brands.

Some restrictions apply within each option. The Vaccine Connect team will gladly walk your practice through each option to determine which one is right for you. Please contact us at **(843) 973-2711** or Membership@vacconnect.com
