Help for Clinician Recruitment

Looking to recruit a new clinician to your rural practice?

New resources are now being made available to CCPN primary care practices in North Carolina seeking to recruit new clinicians or replace retiring clinicians.

Clinician Recruitment

Community Care of North Carolina is making the services of George Barton, an experienced recruiter, available to CCPN member practices free of charge.

To access George's assistance, please go to the CCPN site and click on the Recruitment link under the "What We Do Menu," or just click the button below:

"I have a passion for recruiting along with the experience needed to fill vital positions in your practice. I can help you find people who will fit in with your team and make your practice better."

- George Barton, Recruitment Specialist

Our Valued Partners

CCPN is joining some of the state's foremost healthcare organizations also working to address rural health care access:

- NC DHHS Office of Rural Health
- The NC Medical Society Community Practitioner Program
- NC Pediatric Society
- NC Psychiatric Association
- NC Area Health Education Centers Program
- NC Academy of Family Physicians

CCNC and our valued partners in this effort are committed to preserving and advancing primary care resources in our state. Please let us know if we can help you fill critical clinical openings at your practices.
